Training can come in all forms. Some Dominants go through steps to teach their submissive proper protocol within the home and the rules of the house. Other Dominants give their submissive rules that they have to learn and then use a punishment and reward system to instill them. There is a really big hype about training when there doesn't need to be.

If you really want to learn to be a submissive, learn about yourself. Part of what I emphasize with Submissive Guide is that you learn who you are as a submissive, that you understand what you want and need for a relationship to fulfill you and that you search for the Dominant that will make all that happen without compromising your dreams.

### Submissive Guide

The essential component to directing your submissive is that even if, as the Dominant, you don't have a specific action that you would like from your submissive you need to provide her with direction. In the past your submissive would not have required this direction during play. Do not underestimate her need for direction now.
