Since its incorporation in January 1992, Clinical Pathology Accreditation (UK) Ltd (CPA) has, with some modification, used standards 1 based on the laboratory sections of the Canadian, Australian, and UK standards for healthcare. In 1996, the first drafts of a new international standard, ISO 15189 Quality management in the medical laboratory were circulated.

### Clinical pathology accreditation: standards for the ...

ISO 5199 (and ISO 2858) These two standards cover the same type of industrial pumps as ANSI B73.1. The older ISO 2858 focussed on external dimensions and mounting details, while ISO 5199 also specifies a variety of performance requirements (e.g. minimum bearing life) and construction features (e.g. general layout, seal configurations).
