As David Gardner warns in Last Chance: The Middle East in the Balance, the status quo that existed before the second Bush administration is no longer an option. Its foundations were shaken by the 9/11 attacks; and the U.S.-led invasion of Iraq was the last straw in rendering it history, "uncorking the long-fermenting conflict between Sunni and Shia Muslims from the Levant to the Gulf and across the Indian subcontinent, as well as

David Gardner's "Last Chance" is an arresting and authoritative examination of the crisis in the Middle East. It is animated by a sense of outrage against the West's (by which he means the US and UK's) policy missteps in the region, but this does not subtract from the intellectual robustness of its argument.
