Circuit Scrapbook
Vol 1: Mims, Forrest
Vol 1

Mims scrapbook books handle the topic as kids cartoon book would. There is little useful explanation to beginners as to how the circuits work. Many of the circuits are the same circuit with minor modifications. The target audience for this book is somebody who wants to play with electronics without understanding how

color organs.

Mims Circuit Scrapbook V.I. [Book]

I love Forrest Mims books. They are about electronics before microprocessors took over. I thought he might run out of interesting topics after Circuit Scrapbook Vol 1. Not so. A lot of interesting reading

File Type PDF The Forrest Mims

Circuit Scrapbook

about how electronic stuff works along with circuits you can build to explore the concepts.

This little book is full of very interesting little circuits that are reminiscent of Don Lancaster's various cookbooks published in the early 1980's.

Chapter one on analog circuits contains information you just
