### The Grief Of Others Leah

Moving, psychologically acute, and gorgeously written, The Grief of Others asks how we balance personal autonomy with the intimacy of relationships, how we balance private decisions with the obligations of belonging to a family, and how we take measure of our own sorrows in a world rife with suffering. This novel shows how one family, by finally allowing itself to experience the shared quality of grief, is able to rekindle tenderness and hope and are able to overcome their grief.
