Key Factors That Influence Book Values. Condition is very important and will greatly influence value. A beaten-up old book that is falling apart will have little value. First editions are sought-after by book collectors and a first edition is usually more valuable than a later printing. A first edition signed by the author will have even greater value.

A book collector wants an attractive copy. Dust jackets. Most hard cover books published since the early 20th century were sold with a dust jacket. The dust jacket is both the most decorative part of a book, and the most delicate. A missing dust jacket, or a dust jacket that is in poor condition, can cut a
